INFO & MORE

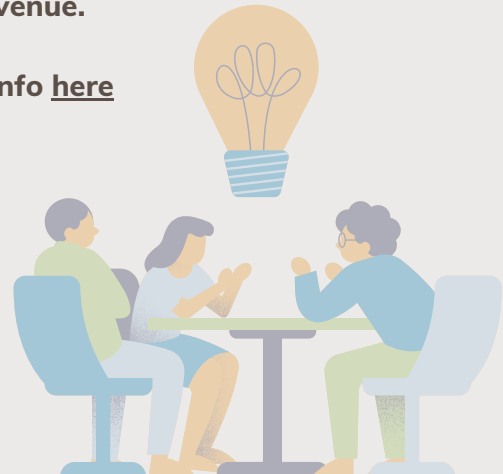

SUSTAINABILITY SUMMIT IN HAMBURG

The summit, scheduled for June 25-26 at Hamburg's Schuppen 52, is a trade fair and conference focusing on sustainable corporate development. The event will bring together industry leaders, experts and startups to discuss sustainability strategies and practical solutions for a better future.

Some exhibitors participating include Osapiens, Siemens SiGREEN, BASF, Position Green, and many others.

Ticket options start at €730, with special offers available for those who request tickets before April 30. All tickets include access to the exhibition, masterclasses, networking sessions, the Aftershow Lounge, and entry to the Procurement Summit, which runs in parallel at the same venue.
